## *Global Finance* Names The World's Best Sub-custodian Banks 2019

NEW YORK, May 20, 2019 – *Global Finance* magazine has announced its selections for the 17<sup>th</sup> annual World's Best Sub-custodian banks in seven regions and more than 80 countries. A full report on the selections will appear in the July/August issue of *Global Finance* and online at GFMag.com.

*Global Finance's* editorial board considered market research, input from expert sources and entry information from banks to select the institutions that reliably provide the best services in local markets and regions. The criteria included customer relations, quality of service, competitive pricing, smooth handling of exception items, technology platforms, post-settlement operations, business continuity plans and knowledge of local regulations and practices. *Global Finance* also obtained input from users of sub-custody services. Performance was judged over the period covering January 1, 2018 through December 31, 2018.

"These awards honor those institutions with the local market expertise and technological capabilities to deliver consistently superior securities services to global custodians," said Joseph D. Giarraputo, publisher and editorial director of *Global Finance*. "Our winners offer safety, transparency, efficiency and quality advice that protects assets and adds value."
